UKIAH CREAMERY TO RETAIL BUTTER

At a meeting of the directors of the creamery last Saturday the secretary made his report of the month's business showing that during the month 3285 pounds of butter had been sold. Of this amount parties delivering cream purchased 111 pounds, the merchants of Ukiah 655 pounds and 2519 pounds were shipped to San Francisco. This statement ought to interest those who deliver cream to the creamery for, according to the figures of the secretary, it costs more than two cents a pound to market butter in San Francisco including freight, drayage and the charges of the commission merchat. For instance the secretary showed one return for a shipment of $77.00 worth of butter and from this was deducted $7.00 for the above named charges.

That the butter is first class is shown by the fact that the top market price has been received for every shipment made during the past month. Most of the parties delivering cream seem to be satisfied with their returns but a few are complaining that they should have more. The above statements may show some of the reasons why a higher price cannot be paid to the producer. The creamery is paying the producer everything above actual running expenses and has as yet set aside no part of the income for dividends to stockholders.

The management has followed this policy since the establishment of the creamery in an endeavor to foster and build up a valuable industry to the community, for the reason that no stockholder had more than a few hundred dollars invested, and all have been willing that the profits go to the producer of milk until the business increased sufficiently to warrant the setting aside of a reasonable dividend to those who financed the project in the beginning.

In view of the above conditions the directors believe the only way to get their butter on the market in Ukiah is to open a retail store of their own with a delivery wagon and sell fresh butter direct to the consumer at the current retail prices. Another meeting is to be held shortly to take action on this proposition.

HUNDREDS OF GUESTS CONGRATULATE HER

The following notice appeared in the Chronicle Monday regarding the announcement of Miss Sara Hofman's engagement:

Mrs. B. Mish gave a betrothal reception yesterday afternoon at her residence, 425 Devisadero street, in honor of the engagement of her son, Gerald, and Miss Sara Hofman. About 150 couples attended and congratulated the happy couple.

Miss Hofman is a charming young lady of Ukiah, in which she is the belle of her social set. She is an accomplished pianoi t and an artist of no mean ability. Her fiance is representative of the Gilbert Manufacturing Company of New York and is very popular in the business world.

The wedding will take place in the early part of July, and arrangements have been made for an extended bridal tour through the southern and eastern states.

LEE HORRELL ACCUSED OF BURGLARY

Lee Horrell who formerly conducted a barbershop in this city was arrested in San Francisco for the Gleason robbery last Friday afternoon and Anderson, his partner in crime was also arrested and confessed but claimed that he thought it was an April fool joke and that Horrell was the guilty party. Horrell's wife claims that Anderson was the one who persuaded Horrell to be a party to the robbery. Horrell was sent to prison for life when about eighteen for being an accomplice in a robbery in which a constable was killed. He was afterwards paroled and finally pardoned and opened a barbershop in this city having learned the trade in San Quentin.

F A HERMAN PRSSES TO REST

F. A. Herman died last Friday and was buried Sunday under the auspices of the local Masonic lodge. He was the father of Mrs. David of this city and had been in poor health for several years.

LUCE-DUTTON NUPTIALS

George Luce and Sophia B. Dutton were married by Judge Crockett yesterday afternoon at his office. They will make their home on the Luce place near this city.

THE CULTUS LADIES ARE ENTERTAINED

The spear half of the Cultus club, known as the gentlemen's aid, entertained the spindle half, the ladies, on Friday, Apr. 1st. The svir e'e began at 9 p m, with a song recital under the direction of Dr. Maddrill. A certain young lady was heard to exclaim: "Dr. Maddrill never sang sang better!"

The second part of the evening was devoted to Millit, the favors being awarded to Mrs. H. Marks and Mr. J. H. barker, while the consolations were recei ed by Mrs. J. W. Eversole and Mrs. Joe Thomas. The box of "April folly" passed around caused an almost owlish wisdom to pervade the atmosphere when some one was heard to murmur, "Things are not what they seem;" it was the master of ceremonies; he had unexpectedly discovered a piece of garlic snugly hidden at the heart of a chocolate cream. After that, with the duties of the evening on his hand and that garlic on his stomach, he was properly engaged.

The event of the evening, however, was a most perfectly appointed banquet. One easily suspected the deft hand of Mousieur Hirsch, happily abetted no doubt, by Messrs Eversole and Weldon (the other members of the banquet committee) in its ordering. It was exquisite in detail.

The salon a' manger was a perfect Rosamond's bower of loveliness with rare exotics from The Terraces, ferns, willows and electric jets as accessories. The decorations were as dainty as if a hand feminine had swept them where in it was the masculine hands of Messrs Pierce, Brown, Marks and Bond that wrought the magic.

W. P. Thomas made the speech of the evening in welcoming the ladies to this, the first effort of the gentlemen's aid. Mr. Thomas' remarks were keenly apropos of the occasion; few men are so happily gifted in their efforts at after dinner speaking. Mrs. J. W. Eversole of the Cultus club responded, her remarks being equally brilliant and eminently befitting the spirit of the evening.

Robert Duncan's remarks were like new wine and there was no stinting in their measure; his hearers were charmed.

Others to respond were Mrs. Case, Mrs. Weldon, Dr. Lathrop-Malpas, Mrs. J. H. Barker and Mr. Howard Preston, Max O'Rel has wittily said that men's hearts have remained exposed ever since that rib that covered them was removed. Howard's heart, however, does not need exposure to be seen, it shines through his eyes. His personality is simply charming.

But the wit was not confined; it effervesced about the table like champagne, in fact it was the only champagne; the other kind was abjured. George was heard to whisper: "Madge, dear, 'A kiss' strength is in its length" and Miss Nettie boldly invaded Dr. McAlister's modest thought with "Men and women," Dr,. "noise and laughter, Sermons and soda water, the day after."

During the evening the orchestra rendered several fine selections among them Mascagni's "Intermezzo;" this last was heartily applauded. The evenings' entertainment ended when the "Iron tongued bell of mid night" sounded "Lovers, to bed; 'tis almost fairy time."

COULD NOT STAY OUT OF JAIL

Roy Bennett was arrested at Pieta Sunday morning for having burglarized Kidd's saloon at Hopland Saturday night. He had secured about $7 in coin and several bottles of whiskey. Bennett had only just been released from the county jail where he had served a sentence of 90 days having been sent over from Westport. He pleaded guilty and was sentenced to three years in San Quentin Wednesday morning.

THE BANK OF UKIAH BUILDING FINISHED

Allie Bailey completed the decoration of the Bank of Ukiah building last week and it is one of the most ornamental edifices in town. The finish is known as the meducca rough cast and has the appearance of a rough stone. Although this is quite popular in the larger cities this is the first time it has been used in Ukiah. Allie intends to make Ukiah his home and will solicit a share of the cement business. He has spent several years in San Francisco working under the best contractors and thoroughly understands his business.

HELP THE CENSUS MARSHAL

APRIL 15th will be census day and it is up to you to give Enumerator Al Malpas all the information and aid in your power that will tend toward getting a complete census of Ukiah. For the past twenty years Ukiah has appeared in atlases and on maps with a credit of 1800 population while we know that our population is double that. There are about 800 voters registered in the precincts of Ukiah which would indicate a population of about 4000. Now is the time to get before the world right and if we have 4000 population we not only want to know it but we want the people in the east who are seeking a home in this section to know that Ukiah is a good sized town and has earned a place on the map.

See that every person with whom you may come in contact understands the importance of the census and what the census enumerator wants when he goes to their homes, and above all things to see that each person shall constitute himself a committee of one to see that his own family, as well as every one else he can reach, shall appear on the census roll.

Special effort should be made to give abroad the fact that there is nothing in the questions asked by the enumerator that will not be for the good of the State, and such data will not be used for the injury of any person.

Everyone whose permanent abode is in Ukiah should be enrolled, even though he or she may be away at the time the census is taken. This includes business men away, traveling salesmen, children at school, and any others who may be out of the county at time the census is taken.

We hope you will take a direct and personal interest in this matter, for it is only through such general co operation that best results can be obtained.

☞ The importance of this census is equal to every town in the county. Give the matter your personal attention and see that your section is correctly reported.

PASTIME THEATRE A POPULAR PLACE

The Pastime Theatre opened Tuesday night and over six hundred people were in attendance during the evening. The pictures were good and the songs were enjoyed by all. The show commences at 7:30 and the performance is continuous to 11 p. m. if necesfary. The children's matinee is Saturday afternoon at 2 p. m. The pictures are changed Sunday, Tuesday and Friday. There are illustrated songs at every performance and a goodly proportion pictures.

J. A. Yakel, who has opened the theatre states that this is his start to get control of the California Nort'western vaudeville circuit and he will open shows in other towns along the line. He is a very courteous and obliging gentleman and states that he will spare no pains to give his patrons the best possible evenings entertainment.

MRS COOPER MAKES GOOD CATCH

Judge and Mrs. J. A. Cooper of San Francisco and Mr. and Mrs. W. E. Gerber of Sacramento came up last Friday and in company with Attorney W. P. Thomas left Saturday morning in two autos for Eel river for a fishing trip. They also took in Walker valley creek and are reported to have caught the limit. Mrs. Cooper secured several nice steel heads as the reward of her efforts with the rod and line. Mr. Gerber is a prominent resident of Sacramento and represents the Armour interests on this coast. He was very much pleased wite Mendocino county. They returned Monday to San Francisco,

Gardner, of San Francisco, and Alma Jackson, of Omaha, have been in town several days negotiating for the purchase of Vichy Springs They have an option on the property and in ihe event of purchasing will expend a considerable sum of money in improving this popular summer resort. STEWARD HANDY VISITS NEW YORK

Steward F. C. Handy of the Mendocino State hospital, left last Friday for New York being one of the men selected to take a number of insane persons who were being deported to New York. One patient was to have been sent from here but was not well enough to stand the trip. Fred will be absent about three weeks.

BYRNES PICKED AS SURE WINNER

Ralph Byrnes has been spending several days in town this week in the interests of his candidacy for the Republican numination for sheriff. Ralph has taken in most of the valley section of the country and feels greatly elated over his prospects. He is a rustler and has a bunch of fr. ads here and it is beginning to look as if the democrats were going to give up the fight and not put a man up against him. Ralph looks like a sure winner.

Mack Howard has purchased the residence of Martin Donohoe in the western addition and will move his family there shortly.

DIES WHILE VISITING CAMPING PARTY

Charles John died last Saturday at Cox & Holliday's camp in Reeves mill canyon He had been employed by Cox & Holliday for several years getting out grape stakes and used to visit them at their camp when they were on their annual fishing excursion. Last week A. H. Ewert, Everett Holliday, Jack Holliday, Hugh Cox, Joe Marks and Ben Melton went to camp as usual for the opening of the fishing season and John came down to spend the evening. He did not eat any supper and sat down by the table and the others retiring and forgetting about him. When the boys got up to breakfast the next morning John was still sitting by the table and when they went to call him found that he was dead.

UKIAH CITIZENS STRONG WITH PICK

Thirty-six members of the Ukiah Auto club went down to Pieta yesterday morning and spent the day working on the road in the Blue slide country.

The boys returned last night thoroughly tired but conscious of having done a good job and report that the road is now in good condition.

Supervisor Lawson had several men and teams on the job also and an immense amount of work was done. The road will be in shape this year for the largest autos and a good run of auto tourists is expected. A number of large signs are being painted and will be distributed along the road by the club so that autos will not have trouble in picking the right road and learning the distance between towns.

ANOTHER WANT AD MAKES GOOD

J. W. Harris was up from Hopland this week on a business visit. He reports that Press want ads get results. Some weeks ago he advertised for a girl to do housework and over a dozen enquiries were received. Joe employed one of the girls and secured a position for another. He reports that his wife is rapidly recovering from her recent illness.

HANDLEYS RESORT CHANGES HANDS

R. J. Cantrell of San Francisco has purchased Handley's resort and W. P. White who for some time past has conducted a summer resort on Eel river has gone over to take charge of the property for the new owner. The property will be improved and will be made one of the most attractive resorts in Mendocino county.

THOMAS REELECTED SCHOOL TRUSTEE

The school election last Friday resulted in the election of W P Thomas, incumbent with a majority of 59 votes over S B Hatch. From start to finish the interestin the election was keen and 427 votes were polled.

M. J. Conboy, former captain of the police of San Francisco, was sentenced to seven years for killing Bernard Lagan while intoxicated in San Francisco a few months ago.

NOTES FROM THE COURT HOUSE

March has not been such a slow month at the court house, and although some of the officials have been afflicted with what is known as the "spring fever" they have been compelled to stay in their offices overtime to attend to the increasing amount of work. Treasurer Johnson was the first of the officers to go fishing this season and spent Saturday afternoon along the banks of Robinson creek, returning at nightfall with three or four small trout. This is from the official count, while those who accompanied him insist that they each succeeded in getting the limit.

District Attorney Robert Duncan has been quite busy the past month and has represented the people in several important cases, both in the justice and superior court. Superintendent of Schools L. W. Babcock is visiting the schools on the coast and the northern part of the county while his deputy, Mrs. Babcock, is attending to the numerous duties in the office. Auditor Mathews is another of the officials who is always busy and can be found working in his office late at night and in the early hours of the morning. Assessor Thomas has had several deputies working in his office the past month sending out supplies to his deputies throughout the county.

Recorder Holbrook has a good report for March and his books show that 375 instruments were recorded during the month. His fees amounted to $341.75 while the February fees were only $306.25. There is a steady increase of business at that office and Mr. Holbrook has found it necessary to add another deputy to keep his books in proper order. Cupid C. H. White is rejoicing as eight marriage licenses were issued in March while only three divorce suits were filed. The fees of Clerk Hale McCowen for the month amounted to $158. The only officer who can be heard to complain is Sheriff Donohoe who says that the people in the county are getting too good and if they continue at the present rate he will be seeking a new position in a short time. While eight were received at the jail during the month 19 were discharged leaving only three in the jail on April 1st. C. R. Bennett, who plead guilty of burglary, was taken down to San Quentin Thursday and now the Hotel Donohue looks rather deserted with only two regular boarders.

Treasurer G. A. Johnson's report for the month shows that there was a balance on hand March 7 of $196,303.86. The receipts for the month were $5,723.78 and the disbursements 23,301.56, leaving a balance on hand April 4 of $178,726.0. . Fees received from officials during the month were, Recorder $341.70, Clerk $158, Sheriff $5.50, Judge Crockett of the Ukiah township, $100, and Judge E. M. Whitney of the Sanel Township $20. Treasurer Johnson deserves much credit for the manner in which he has conducted his office and is undoubtedly as efficient a treasurer as ever held office in this county. There has never been a mistake in his books and he is always very accommodating to anyone visiting his office.

Tax Collector W. S. Van Dyke is another competent official who has faithfully performed the duties of his office and has been working hard for the interests of the county. Mr. Van Dyke is determined to cut down the delinquent roll and from the present outlook it will be smaller this year than it has ever been. Taxes will be delinquent April 25th, and printed notices are being sent to all the postoffices to be tacked in conspicuous places so that the property owners will not forget to pay up in time to avoid unnecessary trouble. Mr. Van Dyke has already mailed noiices to those who failed to pay the first installment and has received many returns to these letters. If you have not already done so, pay your taxes now, and avoid having them become delinquent.

MAYOR M'CARTHY WILL BE DELEGATE

Attorney W. D. L. Held reports that he has received a letter from Aerie number five, F O E, of San Francisco stating that 39 delegates have been elected to the convention here and that all of them will attend. Mayor P. H. McCarthy is among the number. Preparations for the convention are going along rapidly and everything will be in shape so that the convention will be a creditable one and that the delegates will be well impressed with Ukiah.

GRACY ENTERS THE POLITICAL ARENA

G. W. Gracy has announced himself as a candidate for the office of coroner and public administrator on the Republican ticket and is busy getting his petitions ready. Mr. Gracy is wellknown here and on the coast section of the county having been a resident of the county for the past twenty-five years.

For eighteen years he was in the employ of the Union lumber company of Fort Bragg, seven years of which time he was postmaster at Gracy, which office was named in his honor. For the past six years he has been a resident of Ukiah. While in Fort Bragg he was a progressive citizen and was largely instrumental in securing the union high school, of which he was for several years a trustee.

Mr. Gracy is qualified for the position to which he aspires and should he be nominated and elected there is no doubt but that he would attend to the duties of the office and that he would make a splendid official.

ORATORIO APRIL FIFTEEN

The light oratorio, "The Triumph of David" will be given by the Oratorio Society on the evening of Friday, April 15th, at the Baptist Church. The Society has the choruses well in hand and a musical treat can be expected. The solos will be by Mrs. C. A. Bernhard, Mrs. R. E. Lynch, Mr. P. H. Joseph, Dr. J. D. Maddrill and Mr. F. O. Mower. Mrs. Irene Hoffman is the accompanist for the Society. The nominal sum of twenty-five cents will be charged as admission on this occasion. Tickets will be on sale at Mathews Pharmacy on and after Wednesday, April 13. There will be no seats reserved.

VISITING SCHOOLS ON THE COAST

School Superintendent Babcock left Saturday for Mendocino and will probably spend two or three weeks on the coast visiting schools. He will also attend an adjourned meeting of the board of education at Mendocino on the 8th. and 9th. The professor is proud of the schools of Mendocino county and is working enthusiastically to keep them up to the highest possible standard.

BOARD CONSIDERS SUNDAY CLOSINGS

Attorney W. P. Thomas and George P. Anderson appeared before the board of town trustees Monday night and presented the matter of closing the saloons on Sunday and advocated the passage of an ordinance to that effect. They also suggested that if the board did not care to take such action without advice that they allow a vote to be taken on the matter at the town election Monday. After considerable discussion the board appointed a committee to investigate the matter and adjourned to meet Monday at which time the proposition will be further considered. It is understood that a number of the saloon men favor the Sunday closing and it is not beyond possibilities that Ukiah may be as dry as the desert of Sahara on the Lou is day in the near future.

BARKER'S AUTO REFUSED TO WORK

J. H. Barker cranked his auto for a couple of hours last Sunday and then concluded something was wrong. On investigation he found that some vandal had cut the wires that furnished the spark. The machine was locked in the warehouse and the back window had been opened to get in. Such malicious mischief is apt to result in the perpetrator being inside and looking out.

The manager has chosen Floyd Banker as his assistant.

ROGERS HEIRS WIN SUIT

The heirs of the late James Taylor Rogers, formerly of this city, have been awarded one-half of the property of the late W. H. Rogers of Santa Rosa, by a decision of Judge Seawell Tuesday. J. T. Rogers was adopted by W. H. Rogers some 60 years ago. The property amounts to several thousand dollars.

GUARANTEES QUALITY

Best Meat

Is always found at the City Market. C. P. Smith, the proprietor, has been in the butcher business in Ukiah since 1873 and knows the business from the buying of the cattle to the cutting of the choicest portions for particular customers. The mere fact that he has been in business for 36 years is in itself a guarantee of the quality of meats he handles and that during all these years his customers have received a square deal. Thirty-six years in the business also insures that he knows the men who raise the choicest steers, the fattest hogs and the best sheep and he has standing contracts with them so that no matter what the weather conditions are or what the market prices may be his customers are insured the best meat at a reasonable price. If you have any doubt as to the value of 36 years expierence recall the many butcher shops that have been opened in Ukiah during that time and that have gone out of business for one cause or other. The only one left today under the same management is—

NINETY ONE YEARS YOUNG

On Sunday, April 3, a reception was held at the residence of J. E. Berry, proprietor of the Boonville hotel, to celebrate the ninety-first anniversary of Grandma Berry's birthday. A select circle, consisting of the family, several relatives including Mrs. B. H. Hudson, her only daughter, and kind friends and neighbors attended and extended their cordial greetings to Mrs. Berry in her very advanced years. Among the callers were Rev. J. Bailey and Mrs. G. W. Burger and their families, Mrs. A. N. Rawles and Mrs. J. W. McAbee youthful and vigorous although in her eightieth year. Those persons named are always leaders in good work.

It was a source of much pleasure to the guests to see and congratulate Mrs. Berry for her very fine appearance and mental faculties at her ripe and venerable age.

Several friends at a distance who could not attend in person forwarded many tokens of regard, happy recollections and precious mementos to Mrs. Berry and were much appreciated by her.

It was a happy occasion for many pleasant greetings and sayings and all wished to have returns of the same memorable event.

Grandma Berry has a sister in her 90th and a brother in his 95th year.

Towards the close religious exercises were conducted by Rev. J. Bailey, the choir singing in which Mrs. Rev. Bailey and Misses Sylvia Looney and Alta Burger assisted, being all that could be desired.

Miss Susie Berry rendered some excellent selections on the piano, the closing one being "God be with You Till We Meet Again."

Before departing the guests were ushered into the spacious dining room and partook of a bounteous supper. On the table in the center of the viands stood a massive cake on which was lettered "91 years."

NOTES FROM BOONVILLE

BOONVILLE, Apr. 3—All is well at this ancient burg, the climate unsurpassed, and good prospects for abundant crops. The roads in town and surburbs have been splendidly boulevarded and given an artistic finish. Our post office is about to change sites and have a new incumbent, the present one in charge, C. W. Finney, having been capable, and most diligent and assiduous in his discharge of his official duties, and we expect good service from the hands of the late appointee, J. T. Farrer.

Shearing and dipping sheep, and spraying of orchards are now on our working program. The new uniform base ball suits received for our first nine are said to be good and serviceable.

The magnificent flagpole, 90, feet high, at the corner of Lambert avenue and Main street is now in disuse, its patriotism is fled, its occupation gone, and it is bereft of its halyards and flag.

Some of us were surprised at reading an article in the Lincoln, Nebraska, Commoner of Jan. 28, last, in which a Washington correspondent quotes Senator Bolliver as ascribing to a man named Hanson the distinctive title of first president of the United States, and not to George Washington. Some readers consider the matter seriously and think that the latter may not have been our first president. Our fellow townsman, T. E. Rawles, views the statement in the light of a canard, while others think an error has crept in.

A young student of Yorkville asks, "What is the length of a cycloid curve on which his hound travels in running down a rabbit, pro ided the base of said curve is 300 yards." Who will be good enough to determine the length.

They have **smaller diameter bowls and yet retain their great milk capacity**—easily and quickly washed. Low supply tank—cream pail shelf—easy to pour milk into—see picture. All working parts enclosed, keeping out dirt and protecting the operator. Many other *exclusive* advantages.

FRESH MEAT

WE have constantly on hand a complete supply of fresh and salt meats and ask a share of the public patronage. We also desire to call attention to the fact that we have the only cold storage plant in town. We pay cash for poultry and eggs.

We are here to stay.
